Pastor's Notes

by Father Marcoe

Dear Parish family and friends,

Guess what? Discovering Christ is coming to St. Francis Xavier. Yes, I know you've likely heard a lot about it recently. Well as of today, we have well over 70 people already signed up for it! So, if you're thinking: "I don't want to be the only one" – don't worry, you won't!

Many of us have been Catholic all our lives. Others of us are (recent) converts to the Catholic faith. What about someone who's not even Christian – can they come? Or someone who's not even sure where they stand with faith at all? Discovering Christ is for anyone – and for everyone. Discovering Christ is a seven-week course that is meant to help us answer the deeper questions we all desire answers to, like: What's the Meaning of Life? Why Does Jesus Matter? How Can I Be Truly Happy? And we do this in a way that is relevant, relational, non-threatening, and enjoyable.

Not able to come to all 7 weeks? No worries – there's a plan for that. Have young children and need childcare? No worries. There'll be onsite childcare available for the weekly evening sessions. The deadline to register is September 8. Sign up at our [parish website](#), or print forms are available in the lobby.

If you'd like to see some more testimonies of people just like you who participated in Discovering Christ, check out our parish homepage or Facebook page. Here's just two of the ways people expressed the change they felt – "Years of going through the motions when practicing my faith. Now, seeking the Holy Spirit to guide my motions." "Before Discovering Christ I knew I loved God. After Discovering Christ, I know how much He loves me."

Join us for Discovering Christ, starting September 17. And why not ask a friend or family member to register and join you?

God bless your week – Fr. Marcoe

Prayer List & Events/Lista de oración y eventos

Pope Leo's New Document on Human Dignity and AI - Topic of the Annual William K. Collinge Lecture

In May of this year, Pope Leo made an important contribution to the discussion of AI (artificial intelligence) with his encyclical Magnifica Humanitas, a major document on the preservation of human dignity in the age of artificial intelligence. The 14th annual William K. Collinge Lecture, co-sponsored by the Interfaith Center for Peace and Justice and St. Francis Xavier Church, will focus on this document. The speaker will be Dr. Taylor Nutter, Assistant Professor of Theology at Mount St. Mary's University, and a member of the Vatican's research group on AI. The lecture takes place on Thurs., Sept 3, at 7:00 pm, in the Multi-Purpose Room at St. Francis Xavier School.

Spiritually Adopting a Baby-Day 1 Development | Adopción espiritual de un bebé: Desarrollo en el día 1

At the moment the father's sperm and mother's egg unite, a new and unrepeatable human being comes into existence, complete with his own unique set of DNA. Although he is only one cell, everything about this little person is already present: eye color, blood type, the height he will grow to be, color of hair - everything! He will play a role in his family and his community - a role only he can play! Nothing is added after conception to make him a complete human being. He already exists; all he needs is nourishment, a safe, warm environment, and most of all - love. His parents don't know he exists yet. Pray for them to bring their baby to birth so he can fulfill the plan God has for him.

En el momento en que el óvulo de mamá es fecundado por el espermatozoide de papá, comienza mi vida como un ser humano, única e irrepetible: ¡yo! Ya tengo mi propia secuencia de ADN, contenida en los cromosomas que están conmigo desde el primer día de mi vida, que son exclusivamente míos y que no cambiarán jamás. Igualmente, mi sexo se determinó desde el principio de mi existencia, ¡QUE MARAVILLA! Comienzo este maravilloso viaje, como una sola célula, que se mueve por las Trompas de Falopio hasta encontrar una maravillosa acogida en el suave seno de mamá. Allí me nutriré por aproximadamente 9 meses, pero mi viaje no terminará con mi nacimiento, continuará por años y décadas. A través de la historia de mi vida, habré de desarrollar un papel dentro de mi propia familia y mi comunidad, una misión específica que únicamente yo podré realizar. Solo necesito tiempo, alimento, y sobre todo mucho AMOR.

How Can Someone Be Truly Happy? Find Out at Discovering Christ.

Have you been a Catholic all your life? Are you a new convert to the faith? Are you not even sure where you stand with your faith? If you answered yes to any of those questions, then Discovering Christ is for YOU! Truly, it's for everyone! This seven-week course (every Thursday from 9/17-10/29) helps answer deeper questions we all want answers to, like: What's the Meaning of Life? Why Does Jesus Matter? How Can I Be Truly Happy? The sessions answer the questions in a way that is relevant, relational, non-threatening, and enjoyable. Need childcare? There will be free, onsite childcare available for each session. Please join us! The deadline to register is Sept. 8. You can sign up on our [website](#), scan the QR code, or register in-person after Masses at the table outside the Historic Church this weekend.

Need help with outdoor or household tasks?

SFX Youth Group is heading out into the community for a Fall Clean-Up Day, offering free help to parishioners who could use a little assistance.

Sunday, Oct 11 • 1-3 PM

We can tackle tasks like raking, weeding, organizing, dusting or moving boxes and small furniture.

If you or someone you know could use a hand, please contact Katie Langville: klatrinka@gmail.com or 717-576-0424.

Invitation for Tuition Angels to Support Prospective Students

Each year, we are blessed by the generosity of parishioners, alumni and friends of our parish and school, who feel called to support families who desire a Catholic education for their children, but cannot afford tuition.

We continue to invite tuition angels to make a meaningful difference with a gift will support academic excellence, and more importantly, will nurture a child's faith, character, and relationship with Jesus.

If you are interested in sponsoring a student or would like more information, please contact Mrs. Melissa Guy at 717.334.4221 or mguy@sfxcs-pa.org. Thank you for your prayers, your generosity, and helping us continue our mission to educate children in the light of the Gospel.

Your Participation in the EITC Program Means More than You Can Imagine!

Many of you may already be familiar with the Educational Improvement Tax Credit (EITC) program, which allows businesses and individuals to support educational initiatives while receiving tax benefits. This program has proven to be instrumental in enhancing the quality of education and expanding opportunities for students at St. Francis Xavier Catholic School.

I am delighted to inform you that our school has partnered with FundEDU to help us secure valuable resources through the generous contributions of local businesses and individuals utilizing EITC. If you are currently working with RedfinEd, rest assured your contributions to the EITC program will remain with St. Francis Xavier Catholic School and all information will be transferred from RedfinEd to FundEDU.

In the coming weeks, you may receive a call or email from FundEDU's representatives (Jeff, Sheri, Chris, Rhiannon, or Jennifer), who will provide you with further information about the EITC program and the potential benefits of becoming involved. They will share details about how you can participate, explain the tax advantages associated with the program, and answer any questions you may have. They will also confirm information that we have provided to them regarding your current participation in the EITC program.

Participation in the EITC program can make a substantial difference in the lives of our students. As members of this supportive community, I encourage you to take a few moments to consider the impact you can make through your involvement in the EITC program. Your support will help ensure that our school continues to provide an outstanding education to all students, empowering them to reach their full potential.

If you have any immediate questions or concerns regarding the EITC program or FundEDU, please don't hesitate to reach out to Mrs. Guy at mguy@sfxcs-pa.org or visit FundEDU's website at <http://www.fundedu.org>
